1.1	<p>EXT Spunky chaos, as per the last panel in previous episode. Include a link to that episode reading 'Part 1 This Way, Bumknuckles - It Will Fill in Gaps and Such'</p> <p>GRILL grabs both DRILL BOY and CLAIRE BONBONS by their shoulders. After GRILL's line he does his special toaster jumping movement thing</p>	<p>GRILL Oh for pity's sake. HOLD ON TIGHT!!</p>
1.2	<p>EXT - DUSK - A CONVENIENTLY FLAT BIT OF ROOF</p> <p>The three of them land with a thud on the roof of the house, safely out of the way of the white hell below. Propped against a far wall are three corpses, whose identity will be revealed later.</p> <p>CLAIRE is more pregnant than ever.</p>	<p>DRILL BOY Hey, mind out for Claire!</p> <p>CLAIRE BONBONS Yeah. Mind out for Claire! And her plus one!</p> <p>GRILL Mizzling bloody ingrates! What about thanking me for saving you all from a fatal facial?</p>

1.4	<p>Pull back to show all three. DRILL BOY and GRILL stood up, CLAIRE lying down, as pregnant as possible without being an elephant. DRILL BOY looks over to the 3 corpses on the wall.</p>	<p>GRILL (TO CLAIRE) Get tae fuck! Who'd go near Morph here without money changing hands first!</p> <p>CLAIRE BONBONS Shut your face, you tin bully! We're FRIENDS, and that's all, right?</p> <p>DRILL BOY (DISTRACTED) Yeah... That's all... Grill, what the hell are those bodies doing over there?</p>
1.5	<p>GRILL next to the 3 corpses, who we can now reveal as the following deceased TV personalities: ERIC MORECAMBE, ERNIE WISE and RONNIE BARKER. All dead as fuck, with string tied round their extremities like marionnettes, all carrying badly wrapped gifts and these gifts are gifts to our beloved readers as they are EASTER EGGS!!! Etch-A-Sketch? Gay iPod? Copy of Bruce Mc Bride's autobiography, linked to an excerpt from the audiobook?. (Can you see what we're building to here?)</p>	<p>GRILL And now you've gone and ruined your Christmas present! See how you're always whining about how gash Chrimbo telly is? Well I dug these boys up for you...</p>
1.6	<p>Same, but GRILL stood on the wall, operating the ERIC MORECAMBE corpse puppet</p>	<p>GRILL *cough*ARSENAL*cough*</p> <p>GRILL D'you no' see?</p> <p>DRILL BOY Blimey... That's sort of... lov-</p> <p>CLAIRE BONBONS (OUT OF FRAME) JESUS H THUNDERFUCKING CHRIST!!!! IT'S COMING!!!!</p>

1.7	<p>OK. This might be difficult. A shot of CLAIRE in visible, painful labour, with DRILL BOY at her shoulder, comforting her, and GRILL a bit further back, looking on aghast and intrigued.</p>	<p>DRILL BOY OK, now push!</p> <p>CLAIRE BONBONS Well I was going to suck the sod back up!!</p> <p>GRILL Creeping Jesus! Your willy's all wrong!</p> <p>CLAIRE BONBONS OUT YOU COME YOU LITTLE SOD!!!</p>
1.8	<p>Sort of the same, but with CLAIRE holding the NEWBORN, exhausted, but kind of pleased. DRILL BOY looks on doting. GRILL is on a wall again, this time operating all three corpse puppets, who look on, bearing gifts. You know, cos I was in danger of not nearly labouring this Nativity motif nearly enough...</p>	<p>DRILL BOY (DISTRACTED) What do you think you'll call him?</p> <p>CLAIRE BONBONS Not sure. Not had a lot of time to think of names... But I like Logan... That's on the shortlist...</p> <p>GRILL (LOOKING UP) And at last, the bloody military turns up! Get bombing the wee fuckers!</p>
1.9	<p>Pull far back. It's proper night now. So we've got DRILL BOY and CLAIRE and NEWBORN, with GRILL and our 3 DEAD COMEDIANS looking on. And in the night sky, an attack helicopter, with a single lamp blazing above their heads. You know. Like Star of Wonder Star of Bright. If they've not got it by now, then they're obviously fucking morons because by buggery I've laboured this one... You can see the town in the distance. All around is covered with white. Spunk, that is. Proper Xmassy like.</p>	<p>GRILL Mate. Sorry I couldnae get you Corbett as well. What with him no' being dead and aw that.</p> <p>DRILL BOY That's alright, Grill. There's time yet...</p> <p>THE END!!!</p>
